

ABSTRACT

A packable seating apparatus having a single planar surface with a seat attached thereto, wherein the lower
5 portion of the planar surface forms legs which raise the seat portion from the ground. The apparatus has storage compartments formed therein, support for a sleeping bag, and a color change device. The apparatus further utilizes any convenient surface, such as a tree or the like, as an
10 additional support. In an alternate embodiment, the present invention includes a kickstand to allow free-standing support.
